Education:

B.S	Gwynedd-Mercy College (Medical Technology)
Grad. Study	Thomas Jefferson University (Microbiology)
M.S.	University of Pennsylvania (Science/Health Education)
Dr. ScEd.	University of Pennsylvania (Science Education)

Postgraduate Training:

MT(ASCP)	Medical Technology Internship, Mercy Catholic Medical Center, Darby, PA
----------	---

Faculty/Scholar Appointments:

1974-1976	Lecturer , School of Allied Medical Professions, University of Pennsylvania
1976-1981	Instructor , School of Allied Medical Professions and School of Medicine, University of Pennsylvania
1981-1986	Assistant Professor and Program Director in Graduate School of Education , University of Pennsylvania
1986-1988	Adjunct Professor , Philadelphia College of Pharmacy and Science
1995-2007	Senior Scholar LDI of Health Economics , University of Pennsylvania
1995-present	Fellow, Institute of Aging , University of Pennsylvania
1995-2001	Senior Research Investigator , School of Medicine, University of Pennsylvania
1998-1999	Visiting Researcher and Lecturer , Oxford University, UK
2002-present	Fellow , Society for Healthcare Epidemiology of America
2002-2002	Visiting Scholar , Universiteit Katholieke, Leuven, Belgium
2003-2007	Adjunct Associate Professor , School of Medicine, University of Pennsylvania
2007-2012	Senior Scholar/Senior Fellow , Health Policy Department, Thomas Jefferson University, Philadelphia
2010-present	Fellow SHEA ; Society for Healthcare Epidemiology of America

Director Positions

1984-present **Founder and President, McGuckin Methods International, Inc. (MMI)**
Consulting group offering programs, research, education and services to advance infection control and patient safety

Hospital and/or Administrative Appointments:

1965-1974 Senior Medical Technologist, William Pepper Laboratory, Microbiology Department, Hospital of the University of Pennsylvania

1974-1980 Lecturer, School of Respiratory Therapy and Radiology Department, Hospital of the University of Pennsylvania

1974-1980 Infection Control Practitioner, Infectious Disease Section, Hospital of the University of Pennsylvania

1978-1981 Director of Antimicrobial Testing Laboratories, CPG, for faculty of School of Allied Medical Professions, University of Pennsylvania

1994-1995 Project Manager, Leonard Davis Institute for Health Economics

1995-2001 Senior Research Investigator, School of Medicine, General Internal Medicine University of Pennsylvania

2001-2007 Senior Research Investigator, Department of Physical Medicine and Rehabilitation, University of Pennsylvania School of Medicine

Specialty Certification:

1969 Board of Registry, American Society of Clinical Pathologists (MT-ASCP #65239)

1975 American Society of Health Professionals, Teacher Training Certificate

2007 Fellow, Society for Healthcare Epidemiology of America

Licensure:

1968 Medical Technologist (all states except Florida and California)

Awards, Honors and Membership in Honorary Societies:

1977 **BacData Research Award** Association of Practitioners in Infection Control

1978 American Society for Microbiology-Clay **Adams Research Award**

1980 **Alpha Mu Tau National Medical Technology Honor Society Award**

1998-1999 Oxford University, UK - **Visiting Researcher**

- 2002 University of Pennsylvania, **Faculty Exchange Academic**, Leuven, Belgium
- 2003 University of Pennsylvania, **Faculty Research Award**

Awards, Honors and Membership in Honorary Societies:

- 1977 BacData Research Award in Infection Control/Epidemiology, Association of Practitioners in Infection Control
- 1978 American Society for Microbiology-Clay Adams Research Award
- 1980 Alpha Mu Tau National Medical Technology Honor Society Award
- 1998-1999 Oxford University, UK - Visiting Researcher
- 2002 University of Pennsylvania, Faculty Exchange Academic, Leuven, Belgium
- 2003 University of Pennsylvania, Faculty Research Award
- 2016** MILAY CLUB Philadelphia PINNACLE Award

Memberships in Professional and Scientific Societies and Other Professional Activities:

- American Professional Wound Care Association – APWCA
Board Member, 2001-
- American Society for Microbiology
Chairperson of Infection Control Section-1984
- American Society of Clinical Pathology
- American Society of Medical Technology
Chairperson of Competency Delineation Committee for Microbiology - 1967-68
Chairperson of Infection Control Subcommittee 1976
Chairperson of Scientific Program Committee 1980
- Association for Practitioners in Infection Control, 1977 – Present
Chairperson of National Education Committee - 1977-80
Chairperson of Abstract Review Committee - 1979
Chairperson, Curriculum Review for National Certification 1982
Member at Large, National Meeting, Program Committee 1980-82
- Delaware Valley Association for Practitioners in Infection Control
President - 1979
Member of Board of Directors 1983-85
- Hand Hygiene Guideline Task Force member
Representative National Association of Practitioners in Infection Control - 2000-
- Healthcare Infection Control Practices Advisory Committee
Centers for Disease Control and Prevention 2000-
- Society for Hospital Epidemiology of America - SHEA - 1990 - Present
- World Health Organization Co-coordinator of Patient Empowerment Project 2007-

Editorial Positions:

1994-present Reviewer, Journal of Infection Control and Hospital Epidemiology
1998-present Reviewer, American Journal of Infection Control
2000-present Reviewer, Journal of General Internal Medicine

Professional Task Force Memberships:

2002 Centers for Disease Control and Prevention task force for the Guidelines for Hand Hygiene in Health Care Settings
2007-Present World Health Organization task force for the First Global Patient Safety Challenge: Clean Care is Safe Care. Lead author for chapter on Patient Empowerment in the WHO Guidelines for Hand Hygiene in Health Care

Academic and Institutional Committees:

1975-1981 Committee on Instruction/Curriculum - SAMP
1980-1984 Personnel Committee for Promotions- GSE
1981-1985 Committee on Instruction/Curriculum - GSE
2001-2007 Research Committee, Department of Rehabilitation, School of Medicine

Major Academic and Clinical Teaching Responsibilities:

1973-1986 **Member of Standing Faculty**

Developed and Taught the Following Undergraduate Courses:

Microbiology, Virology, Pathogenesis of Infectious Diseases, Parasitology/Mycology, Chemistry Research Seminars, Research Methodology, Independent Studies

Developed and Taught the Following Graduate Courses (MS, PhD, MD Curricula):

Microbiology, Infection control, I.D. 202 (Medical School), Research Seminar, Teaching Methods for Health Professionals, Dissertation Chairperson, Scientific and Medical Writing

2000- 2006 **School of Nursing**

Microbiology and Infection Control Lectures for:

	Pediatric Nurse Practitioner Master's Program Pre-Freshman Seminar
2001-2002	Provost Pro-Seminar leader
2002 -2005	School of Nursing N-41 Microbiology/Infection Control Lectures
2002-2006	School of Medicine, Department of Rehabilitation Medicine Research Course Lecture
2004 -2005	School of Arts and Science, Health and Societies Department Adverse Events in Healthcare HSOC434

Lectures by Invitation:

2002	"The State of the Art in Wound Care", American Congress of Rehabilitation Medicine, Annual Meeting, Philadelphia, PA.
2002	"Interpretation of New Hand Hygiene Guideline" Eastern Pennsylvania Chapter of APIC – Harrisburg, PA
2002	"Partners in Your Care" - Handwashing Compliance Model, Dutch Hygiene Society, Amsterdam, Holland
2002	Rehab: Dirty Little Secrets", American Congress of Rehabilitation Medicine, Annual Meeting, Philadelphia, PA.
2002	"Partners in Your Care" - Handwashing Compliance Model, Flemish Hygiene Society, Brussels, Belgium
2002	Handwashing Compliance in U.S. - Medical Grand Rounds, University Hospital, Leuven, Belgium
2002	"Venous Leg Ulcer Diagnosis and Treatment Guideline" Annual Meeting, Professional Wound Care Association, April, Philadelphia, PA
2002	"Partners in Your Care" - Handwashing Compliance Model, University Hospital, Leuven, Belgium
2003	"The Microbial Flora of the Wound" General Session Speaker, Annual Meeting Advances in Wound Care, Philadelphia, PA
2003	"Partners in Your Care" - VHA East Coast, CEO Annual Meeting, Pennsylvania
2003	"Implementing Partners in Your Care" - Medical Grand Rounds - Lehigh Valley Medical Center, PA

- 2003 "Venus Leg Ulcer Guideline Update" - Association Professionals in Wound Care Annual Meeting - Philadelphia, PA
- 2003 "Healthcare Associated Infections" - University of Pennsylvania School of Nursing.
- 2004 "Hand Hygiene" – Steris Corporation, Phoenix Arizona
- 2004 "Patient Empowerment and Hand Hygiene" – Pa. Dept of Health
- 2004 "Patient Empowerment and Hand Hygiene" – Long Island Jewish Health System
- 2004 "Patient Empowerment and Hand Hygiene" – Center for Disease Control, Atlanta, GA
- 2004 "Patient Empowerment and Hand Hygiene" – Joint Commission on Accreditation of Hospitals, Chicago, IL
- 2005 "Patient Empowerment and Hand Hygiene" – Reading Hospital Medical Grand Rounds
- 2005 "Patient Empowerment and Hand Hygiene" – Kaiser Permanente, Fontana, California
- 2005 "Hand Hygiene Compliance Measurement Program" – Wisconsin APIC Seminar, Madison, WI
- 2005 "Patient Empowerment and Hand Hygiene" – APIC National Meeting, Baltimore, MD
- 2005 "Hand Hygiene Update" – Steris Corporation – Tampa, Florida
- 2005 "Patient Empowerment and Hand Hygiene" – Advocate Health Care Systems, Chicago, IL
- 2005 "Patient Empowerment and Hand Hygiene" – Washington State Hospital Association, Seattle, WA
- 2005 "Science of Hand Hygiene" – Rural Infection Disease CME Course – Washington State
- 2005 "Patient Empowerment and Hand Hygiene" – Hospital Corp of America, Tennessee
- 2006 "Science of Hand Hygiene" – Sixth Annual Infectious Disease Update
- 2006 "Hand Hygiene Compliance" – Maine Medical Center CME Course
- 2006 "Interventional Patient Hygiene (IPH)" – APIC Breakfast Symposium, Tampa, FL
- 2006 "Hand Hygiene Web Conference" – Washington State Hospital Association, WA

- 2006 "Patient Empowerment and Hand Hygiene" – Department of Veteran Affairs, Wilkes Barre, PA
- 2006 "Patient Empowerment and Hand Hygiene" – University of Geneva/WHO
- 2007 "Interventional Patient Hygiene" – National Training Institute –CCRN, Atlanta Georgia
- 2007 "Patient Empowerment and Hand Hygiene Measurement" – APIC Meeting, San Jose
- 2007 "Patient Empowerment and Hand Hygiene" North Carolina APIC Annual Meeting, Charlotte,, NC
- 2007 "Green Cleaning and Infection Control" – ASHES annuyal meetin, St. Louis, MO
- 2007 "Hand Hygiene Measurement" – Oregon State Hospital Association, Portland Oregon
- 2007 "Hand Hygiene Compliance and Measurement"- Geisinger Medical Center, Danville PA
- 2008 "Hand Hygiene Compliance and Measurement" Canadian Institute of Patient Safety, Toronto
- 2008 "Hand Hygiene Compliance Measurement, Benchmarking" Webber Institute of Education
- 2008 "Hand Hygiene Compliance and Patient Empowerment" Kaiser-Permanete Southern California Teleconference
- 2008 "A Global Perspective on Patient Empowerment and Hand Hygiene Compliance - A Realistic Goal for a Multifaceted WHO Strategy" Co-presented with WHO task force members at SHEA scientific conference, Orlando, FL.
- 2008 "Hand Hygiene Measurement and Patient Empowerment: New York Hospital Association
- 2008 "Interventional Patient Hygiene" APIC Western New York chapter
- 2008 "Patient Empowerment part of Hand Hygiene Compliance Improvement Plan" Brookdale University Hospital, New York
- 2008 "Patient Empowerment and Hand Hygiene Measurement" teleconference for Community Hospitals System
- 2008 "Meet the Experts: Patient Empowerment as a Hand Hygiene Promotion Strategy" ICAAC/IDSA Scientific Meeting, Washington DC.

- 2008 "Patient Empowerment, Product Usage, and Observation: Multimodal Plan for Compliance Improvement" Teleconference, University of Alabama Medical Center - Highlands
- 2009 "Hand Hygiene: The Final Frontier of Compliance" Webinar for Infection Control Today
- 2009 "Hand Hygiene Measurement and Feedback: Evidence, Cost, Commitment" APIC Greater Baltimore
- 2009 "All for One: One Patient, One Healthcare Worker, One Question: Did you Wash or Sanitize Your Hands?" St. Vincent Health System and invited quest, Indianaopolis, IN
- 2009 "Hand Hygiene and Patient Empowerment for the Neonate" Maryland Patient Safety Neonatal Collaborative
- 2010 "Hand Hygiene: The Final Frontier of Compliance" Webinar for Infection Control Today
- 2010 "Hand Hygiene: Strategies for Improving Compliance" Health Care Improvement Foundation C. difficile Prevention Series Webinar.
- 2012 "Hand Hygiene Measurement and Patient Empowerment" Aseptic Surgery Forum. Espace Champerret, Porte de Champerret, Paris.
- 2013 "Patient AND Consumer Empowerment" Merion Cricket club, Haverford , PA.
- 2013 "Patient Participation in Hand Hygiene Promotion and Improvement - Pros & Cons", Sponsored by WHO Webber Teleclass
- 2013 "Do Consumers Know, Understand, or Care About Public Reporting Of Healthcare-Associated Infection Rates? Concurrent Session APIC Annual meeting Fort Lauderdale, FL
- 2014 "Patient Empowerment;" Cosmopolitan Club Philadelphia, PA
- 2014 "Electronic Devices for Measuring Hand Hygiene". Webber Teleclass
- 2015 " Staying Alive in the Hospital" Chautauqua Institute
- 2016 "Barriers to Hand Hygiene Compliance, APIC Charlotte, NC
- 2017 "Patient Empowerment" Second Global summit on patient safety in Bonn, G Germany
- 2017 "Psychology of hand Hygiene, Semmelweiss Conferecne, Budapest
- 2019 **Empowering Nurses ,Stackholders and Patients on Hand Hygiene ICIP Meeting, Geneva, Switzerland**

Organizing Roles in Scientific Meetings:

- | | |
|-----------|---|
| 1978 | Organizer, Microbiology and Infection Control, Seminar for Association of Practitioners in Infection Control Annual Meeting, Philadelphia, PA |
| 1979 | Co-organizer, The Role of Airborne Contamination in Nebulizers, Seminar for New York Academy of Sciences, New York |
| 1980-81 | Co-Director, Program Committee for National Meeting of Association of Practitioners in Infection Control, Denver, CO |
| Aug, 1980 | Organizer, One Day Infection Control Seminar on Surveillance State of the Art for Association of Practitioners in Infection Control, Pittsburgh, PA |
| Oct, 1980 | Organizer, One Day Infection Control Seminar on Surveillance State of the Art for Association of Practitioners in Infection Control , Cleveland, OH |
| 1980 | Co-Director, Program Committee for National Meeting of Association of Practitioners in Infection Control, Denver ,CO |
| Jan, 1981 | Organizer, One Day Infection Control Seminar on Surveillance State of the Art for Association of Practitioners in Infection Control, Cleveland, OH |
| 1981 | Co-Director, Program Committee for National Meeting of Association of Practitioners in Indwxrion Control, Atlanta GA |
| 1983 | Director/Organizer, The Future of Infection Control, Seminar for American Society of Medical Technology Annual Meeting, Denver CO |
| 1984 | Chairperson, Abstract Committee for National Meeting of Association of Practitioners in Infection Control, Boston MA |
| 1985 | Director/Organizer, Computers and Infection Control, Seminar for Association of Practitioners in Infection Control, Fort Lauderdale, FL |
| 1986 | Director/Organizer, Infection Control for Second Year Medical Students, Four seminars for University of Pennsylvania School of Medicine |
| 1987 | Co-organizer, Surveillance of Infection Control, Seminar for Hospital Association of Pennsylvania, Chicago, ILL |
| 1990 | Director/Organizer: Aides for the Elementary Level Teacher. In-service programs for independent schools of Montgomery County, PA |
| 1992 | Director/Organizer: Surveillance in Infection Control Seminar for Hospitals in Cape May County, Ocean County and Atlantic County. |
| 1999 | Director/Organizer: Basic Microbiology and Handwashing Techniques . Three day seminar at SCA, Rosenheim Germany. |

- Oct, 2002 Co-organizer: Clinical Application of Venous Leg Ulcer Guideline. Educational session for American Congress of Rehabilitation Medicine Annual Meeting, Philadelphia, PA
- Oct, 2002 Director/Organizer: Patient Empowerment in Rehabilitation Medicine. Educational session for American Congress of Rehabilitation Medicine Annual Meeting , Philadelphia, PA
